

MARITAL LOVE & RESPONSIBLE PARENTHOOD

"The use of methods based on the 'laws of nature and the incidence of fertility' are to be promoted, since these methods respect the bodies of the spouses, encourage tenderness between them and favour the education of an authentic freedom".

Pope Francis,
"Amoris Laetitia" (pt. 222)

THIS DVD contains a series of ten documentaries showing what are the natural methods of fertility awareness and how they work. They are a treasure, a healthy and ethical way of life helping couples to achieve marital happiness.
